## John Deere 6195R

---

## DESCRIPTION

2015, John Deere PowerTech 6.8 I engine, John Deere AutoQuad Plus 20/20 gearbox, 40 km/h, front hydraulic, TLS

The ad is from the service, please call the number: +385 99 783 3899.

## TECHNICAL SPECIFICATIONS

Year of manufacture: 2015

First registration: 2015

Number of working hours of the engine: 8240

Horsepower: 195

Working capacity of the engine: 6788 ccm

Number of cylinders: 6

Engine type: John Deere PowerTech 6.8 I

Transmission: John Deere AutoQuad Plus 20/20

Maximum speed: 40 km/h

PTO: Independent rear PTO 540E/1000/1000E o/min

Machine mass: 8500 kg

Fuel tank capacity: 405

Hydraulic pump: 155 l/min

## CABIN

Premium ComfortView cabin, panorama windscreen, air conditioning, left and right telescopic rear-view mirrors, standard driver's seat, passenger seat, radio, Generation 4 CommandCenter 4100 7" display, windshield wiper with washing function, external connectors for auxiliary ignition cables, rear cable passage, interior lighting, rubber mat, hand and foot accelerator

## HYDRAULICS AND PTO

PFC hydraulic system (pressure and flow compensation) - 155 l/min, 4 pairs of e-SCV (450 Serie), with electro-hydraulic control, hydraulic trolley braking

Independent rear PTO 540E/1000/1000E o/min

## WHEEL DIMENSIONS

Rear wheels with adjustable rims, rear tires 650/85R38

Front wheels with adjustable rims, front tires 600/70R28

## FRONT AXLE

MFWD mechanical drive and front brakes, TLS suspension, multi-disc clutch in oil, electro-hydraulic activation

## TOWING HITCH

Automatic upper drawbar, Piton-fix, Toplink lever

## LIGHTS AND ELECTRONICS

6 front cabin roof working lights, 6 rear cabin roof working lights, 2 rotating lights, low beam and high beam traffic lights, 2 additional

vertical front working lights, 2 additional rear mudguard lights

#### AMS

JDLink Preparation, ITEC-HMS

#### ADDONS

toolbox, passenger seat, rear windshield wiper, double-circuit air installation, rear mudguards extensions, hydraulic trolley braking, Cold Start package, front hydraulic.
