

John Deere 9620-RX

155.000€

DESCRIPTION

2016, Cummins X15 14.9 L engine, 6 cylinders, John Deere e18 – 18/6 gearbox with Efficiency Manager, AutoTrac preparation

TECHNICAL SPECIFICATIONS

Year of manufacture: 2016

Number of working hours of the engine: 7550

Horsepower: 620

Working capacity of the engine: 15 l

Number of cylinders: 6

Engine type: Cummins QSX15

Transmission: John Deere e18 18/6

Maximum speed: 30 km/h

Machine mass: 27500 kg

Fuel tank capacity: 1514 l

Hydraulic pump: 220

CABIN

Commandview 3 cabin: driver's seat with air suspension and lumbar support, CommandArm armrest with all tractor control functions, Generation 4 CommandCenter 4600 display with 10" touch screen in color for adjusting the tractor and guiding the machine. The Generation 4 display comes with advanced ISOBUS capabilities that give you complete control over the ports. Electrically adjustable rear-view mirrors, passenger seat, 4-speaker radio package, automatic air conditioning, front and rear windshield wipers with washing function, sun shade, interior lighting, clothes hook, rubber mat, tilting cabin, 360° all-round visibility, telescopic and tilting steering wheel with position memory, active cooler, cabin suspension

HYDRAULICS AND PTO

PFC hydraulic system (pressure and flow compensation), flow pump 220 l/min, 4 pairs of SCV with electro-hydraulic control via CommandArm or Greenstar touch screen, additional hydraulic PowerBeyond performs 3/4"

WHEEL DIMENSIONS

762 mm Camso® Durabuilt™ 6500 series - due to the distinctive design of the tracks, the overall width of the tractor tracks has been reduced to 3 m; reinforced track design for greater longevity and stability in operation. Heavy Duty medium rollers designed on the track concept, reinforced long-term performance with long service intervals.

TOWING HITCH

Category 5 lower drawbar

LIGHTS AND ELECTRONICS

Premium lighting, all halogen lights replaced with LED lights (except low beam lights) - 6 front lights on the motor bonnet, cabin roof 12 working lights, 2 additional working lights on the rear mudguards, 2 front working lights on the cabin handrails, 2 rotating lights.

AMS

JDLink, AutoTrac preparation, ISOBUS
