

John Deere W650

230.000€ 227.100€

DESCRIPTION

2021, John Deere PowerTech PSX 9.0 I engine, Deluxe cabin, electronic sieve adjustment, 4 cameras + display, John Deere 620R grain header - 2022

TECHNICAL SPECIFICATIONS

Year of manufacture: 2021

First registration: 2022

Number of working hours of the thresher: 100

Number of working hours of the engine: 150

Horsepower: 348

Working capacity of the engine: 9000 ccm

Number of cylinders: 6

Engine type: John Deere PowerTech PSX 9.0 I with turbocharger

Transmission: 3-speed gearbox, with manual gear change, hydrostatic transmission -

Maximum speed: 30 km/h

Grain hopper volume: 9000 l

Number of straw shakers: 6

Fuel tank capacity: 800 l

CABIN

3-speed gearbox, with manual gear change, hydrostatic transmission -

WHEEL DIMENSIONS

Front wheels with tires 680/85R32

Rear wheels with tires 480/80R26

TOWING HITCH

Manual trolley drawbar

LIGHTS AND ELECTRONICS

Driving lights on platform and cabin roof working lights, grain bunker and unloading pipe lights, 3 rotating lights

AMS

JDLink, GreenStar wiring; possible upgrade of the yield and moisture sensors

ADDONS

Electronic sieve adjustment, 28mm wheel distance, 4 cameras + display, chaff spreader

Tank capacity of 9 000 l; unloading pipe rotation range 105 degrees; unloading performance of 88 l/sec; unloading pipe 5.6 m

Dyna Flo Plus Cleaning System

OTHER INFORMATION

Average shipping weight without header and cutter: 15.500 kg
